

The Clinical Connection

Education for Advanced Practice Clinicians

Committed to the future of women's health

Introducing The Clinical Connection

As clinicians and educators, our goal is to **help women lead longer, healthier lives**. Developed with an esteemed APC Advisory Panel and Ob/Gyn Experts, **The Clinical Connection** provides online, evidence-based learning modules and an extensive multimedia library on current and critical topics to expand your knowledge in women's health.

- **Free Access & Flexibility**

The Clinical Connection is, and always will be, a free educational resource. Modules are designed to be completed in less than an hour and can be reaccessed as needed to allow you to pick up where you left off.

- **Interactive & In-Depth Learning**

Modules contain pre- and posttests to measure your progress, patient cases to challenge your skills, and an extensive multimedia library for in-depth research.

- **Current & Critical Topics**

Modules span important topics such as Abnormal Uterine Bleeding, Surgical Management of Abnormal Uterine Bleeding, Cervical Cancer Screening Guidelines, Sexually Transmitted Infections, Preterm Labor Assessment, and more.

- **Educator Training Tools**

Each module contains supplemental instructor materials, and a personalized dashboard shows individual student progress.
